

# Forest Cycle Code

- 1** Expect the unexpected—keep your distance **2** Remember other vehicles use the forest

- 3** Give way to walkers — be friendly towards other forest users

- 4** Be aware of horses and avoid an accident.

- 5** Danger! Keep away from forest operations

- 6** Danger. Do not pass a vehicle that is loading timber until you have been told to do so.

- 7** Footpaths are for walkers only. **8** Cycle with care and you can come back again.

The Forestry, Amenity and Lands Directorate is keen to promote responsible access and recreation. For further information on cycling please telephone the Forestry Directorate on 685835.
