

Horse Riding Code

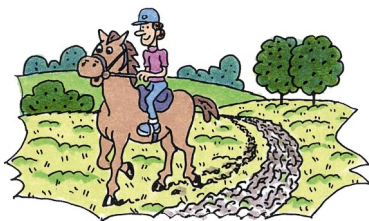

1 Keep to the tracks and try to avoid ground which is soft or muddy.

2 Take an alternative route to avoid soft slopes. Riding up and down causes erosion.

3 Please follow the Countryside Code at all times and secure gates behind you.

4 Please avoid widening existing tracks, or creating new ones.

5 Please keep well away from any work taking place in the forest.

6 Remember other vehicles use the forest roads as well as you.

7 Please vary your route in the forest to spread the wear and tear.

8 Remember other people use the forests as well as you.

9 Danger! Do not pass a vehicle loading timber until you have been advised to do so.

10 Please ride with care and come back again.

Forestry, Amenity and Lands allows horse riding in many of its forests, many with convenient open access .

For further information please telephone the Forestry Directorate on 695701.
