

**UNESCO Biosphere Isle of Man
Youth representatives on Stakeholder Partnership Group**

How to apply:

Please send us your name, age, contact details and details of why you would be suitable for the role and tell us how you would engage with young people to develop positive ideas for our Biosphere.

Please also send one achievable positive idea of your own for our Biosphere.

Send a video by WeTransfer, if you prefer, but make sure it comes with your details (and it would be a good idea to send a second email letting us know about it, as large emails often don't make it through our system).

Make sure you contact us by 30th September 2022.

In line with GDPR, we will only hold your details for as long as necessary to recruit our youth representatives and if you are not chosen this time, we will delete them.
