Young Nature Champion 2024

Introduction

Young Nature Champion 2024 encourages young people aged 21 and under to connect with, care for and enjoy nature and create a piece of writing, an audio file or a video about their experience.

Entrants can cover any aspect of nature – a favourite place or creature, a project you are running that helps nature, how being among nature makes you feel, etc.

Entries are invited from individuals, groups and school/youth projects. See 'how to enter'.

The deadline for entering is the end of schools' autumn half term, Friday 1st November 2024, so you have spring, summer and autumn to enter.

Winners and runners up will be invited to a prize presentation.

Prizes include the Young Nature Champion trophy, a tailored nature experience for up to four people, Manx Wildlife Trust gift shop vouchers and binoculars/a bird book for best bird entry.

Entries will be published on UNESCO Biosphere Isle of Man and partners' websites and social media channels; in the Isle of Man Examiner and in Manx Nature magazine, published by Manx Wildlife Trust. See also 'rules for entering'.

Young Nature Champion 2024 is run by UNESCO Biosphere Isle of Man with partners Love Tech Isle of Man, Isle of Man Examiner, Manx Ornithological Society, Manx Wildlife Trust.

If you have any queries about the competition not answered on this website, please email Biosphere@gov.im marking your email 'Young Nature Champion 2024'.
